Fellowship in Hospice and Palliative Medicine, July 2012 - June 2013, UAMS, Section of Hospice and Palliative Medicine, Little Rock, AR

Bachelor of Science in Computer Science, January 2018 - June 2020, University of Arkansas, Little Rock

### **III. Medical Licensure**

Arkansas E-7670  
Washington 60792490

### **IV. BOARD CERTIFICATION**

American Board of Family Medicine, Diplomate #1060441460,  
April 2012 - present

Hospice and Palliative Medicine Certification, 2014 - present

### **V. PREVIOUS PROFESSIONAL POSITIONS AND APPOINTMENTS**

Arkansas Hospice, Physician in Hospice and Palliative Medicine, July 2013  
- April 2016, Little Rock, AR

CHI SVI, Palliative Care Consultant, July 2013 - April 2016, Little Rock, AR

UAMS, Assistant Professor, Department of Internal Medicine, Section of  
Hospice and Palliative Medicine, April 2016 - October 2017, Little Rock, AR

Arkansas Hospice, Medical Director, January 2017 - July 2020, North Little  
Rock, AR.

### **VI. TEACHING ACTIVITIES**

Senior Medical Students, Geriatrics Rotation, 2013 - 2017, UAMS, Little  
Rock, AR

*For the 4 weeks of geriatrics rotation, I gave an hour lecture every  
week on hospice, palliative care, pain, nausea, communication, dyspnea,  
and advance directives. I was attending for students who rounded with the*

*inpatient palliative care team, or those who joined me during my palliative care clinic.*

Neurology Residents, Noon Conference lecture series, Pain Management, 2017, UAMS

*I gave a lecture to neurology residents on pain management at their noon conference.*

Physician Assistant Students, Pain Management, 2016, UAMS

*I gave a lecture to PA students on Patient-Controlled Analgesia.*

Junior Medical Students, Internal Medicine Rotation, 2016 - 2017, UAMS

*I gave lectures to M3 students on basics of Palliative care, communication, SPIKES, and family meetings.*

Palliative Care Fellows, Palliative Care Fellowship, 2013 - 2017, UAMS and Arkansas Hospice

*I was Teaching Attending for Fellows on inpatient and outpatient rounds at UAMS, as well as inpatient hospice rounds at Inpatient Center (AR Hospice). I gave didactics lecture 1-2 times per month.*

## **VII. UNIVERSITY COMMITTEE APPOINTMENTS**

Medical Student Council, Member, 2005 - 2009

*Provided audiovisual capabilities when needed for my medical school class projects. Won our video competition my Senior Year.*

Residency Recruitment Committee, Member, 2009 - 2012

*Involved in recruitment for my Department of prospective interns and residents throughout the year and during recruitment fairs alongside AHECs.*

Palliative Care Committee, Member, 2016 - 2017, UAMS

*Monthly meetings to discuss quality improvement, EMR changes/templates, quality measures, difficult cases, narcotic stewardship, and clinical topics.*

## **VIII. HONORS AND AWARDS**

### *Medical School*

Dorothy Snider and Charles Roy Moon Scholarships 2005 - 2006

### *Undergraduate*

Biochemistry Student of the Year 2002 - 2004

Dean's List 2002 - 2004

Phi Beta Kappa 2005

## **IX. LECTURES/PRESENTATIONS**

“Colorectal Cancer Screening,” Department of Family and Preventive Medicine, Quality Improvement Project, 2012 Little Rock, AR

*Scanned our EMR to identify how effectively physicians were referring for screening colonoscopies, stool guaiacs in a timely manner as recommended by USPSTF; evaluated the overall process of how these referrals are made.*

“Dignity Therapy: Quality Improvement in VA Palliative Care Unit,” Department of Hospice and Palliative Medicine, 2013, Little Rock, AR

*Discussed the origins of dignity therapy, how it is done, and how this intervention was implemented in the LRVA Palliative Care Unit as part of quality improvement and enhanced recognition of veteran-as-person.*

“Dignity Therapy in Hospice and Palliative Care,” OHSU Noon Conference, 2017, Portland, OR.

*Gave update on recent trials of Dignity Therapy, discussed dignity themes arising from patient interviews, taught practice points to build authenticity to an interdisciplinary group at the Medical School in Portland, OR.*

“Dignity Therapy in Hospice and Palliative Care,” Partners in Care Conference, 2017, Little Rock, AR.

*Gave update on recent trials of Dignity Therapy, discussed dignity themes arising from patient interviews, taught practice points to build authenticity to an interdisciplinary group at Arkansas’ annual Partners in Care conference.*

## **X. PROFESSIONAL AND SOCIETY MEMBERSHIPS**

American Academy of Family Physicians, Member, 2009 - present

American Academy of Hospice and Palliative Medicine, Member 2012 - present

Pulaski County Medical Society, Member, 2013 - 2016

Arkansas Medical Society, Member, 2013 - 2016

## **XI. COMMUNITY ACTIVITIES**

Hospice Volunteer, Arkansas Hospice, 2016 - 2017

*I developed a formal program to provide legacy arts to hospice patients titled Gathering Hope. I provided legacy books, legacy videos, word clouds, photographs, journaling, and letter writing. In 2017, I accumulated 77 volunteer hours that include interviewing patients, editing/ customizing, and then generating the various legacy items listed above.*

Physician Volunteer, Harmony Health Clinic, 2013 - 2016, Little Rock, AR

*I volunteered as attending for medical students on Saturday mornings in the free, community-based clinic.*

Physician Volunteer, Westside Free Medical Clinic, 2013 - 2016, Little Rock, AR

*I volunteered as attending for medical students in the evening at this clinic that serves a population of largely hispanic patients lacking access to routine health care.*

Medical Missions, Dominican Republic, 2013

*I joined a team including a family practice physician team leader, pharmacy, nursing, pastors, optometry for a week-long trip. We set up clinics in the community during the day and provided evaluation of chronic illness, eyeglasses, antifungals, antibiotics, antiparasitics, wound care, anti-inflammatories when appropriate.*

Medical Missions, Samoa, 2014

*Joined a Family Physician and team of pharmacists, nurses, pastors, optometrists for a week-long trip. We set up clinics in the community during the day and provided evaluation of chronic illness, eyeglasses, antifungals, antibiotics, antiparasitics, wound care, anti-inflammatories when appropriate.*

Medical Student Interviews, UAMS, 2016

*I routinely volunteered to interview medical student applicants on Saturday mornings, as well as Internal Medicine Residency applicants, and Palliative Care Fellowship applicants.*

## **XII. CME ACTIVITY**

## American Board of Family Medicine, Maintenance of Certification, 2016 - 2017

*In the past year, I have accumulated 18.25 hours of Division I CME credit that counts towards my Family Practice Maintenance of Certification. This consists of AAFP CME quizzes, Pain Management Knowledge Self-Assessment, Depression Knowledge Self-Assessment, Coronary Artery Disease Knowledge Self-Assessment, and Hand Hygiene Performance in Practice Module.*

Conferences, classes, and Workshops:

Partners in Care Conference, Little Rock, AR, 2017, **18.25** credits

Teaching:

*I have logged **48** hours of teaching credits in the last 1 year during IDG (interdisciplinary team meeting consisting of staff, medical students, palliative care fellows, pharmacy students.*

### **XIII. LABORATORY EXPERIENCE**

Antineoplastic Properties of Sea Organisms, supervised by Dr. McIntosh, Organic Chemistry Department, U of A, Fayetteville, 2004 - 2005

*Used organic chemistry reactions in a step-wise fashion to produce intermediate molecules, with goal to eventually synthesize analogues of naturally occurring molecules with potential antitumor effects.*

### **XIV. PERSONAL INTERESTS**

*I graduated with Computer Science degree this year and began work on medical applications that will provide scheduling and interoperability solutions to healthcare teams. I consider myself a “full-stack” web developer, able to manage databases on the backend, and javascript frameworks on the frontend. I plan on deploying my web application within*

*the next year. In addition, I am interested in photography/videography, blogging, and cooking.*
